

SPONSOR THE WALK FOR CHILDREN WITH RHEUMATIC DISEASES

Rare diseases. Too few doctors trained to recognize them. Families often wait years for a diagnosis.

📍 **Via Francigena** • 🚶 **300 km** • **16 stages** • 📅 **Starting 27 August**

Prof. Michael Hofer walks 300kms with his wife Marie and their dog Taiga to raise funds to train more doctors in pediatric rheumatology.
