

JIRcohorte Winterschool

Autoinflammatory disease Improve your research and clinical practice

11 - 13 January 2019, Villars, Switzerland

Eurotel-Victoria, Villars

Final program

Dear Colleagues,

The JIRcohorte team is welcoming you at the third **Winter School on Autoinflammatory disease (AID)**.

Update your knowledge, present your research, develop your network and meet European specialists during the 3rd JIRcohorte Winter School in Villars Switzerland.

We offer

State of the art lectures

Interactive workshops in small groups

Case resolution in small groups

Abstract presentations (oral and poster)

You will also be able to meet some European specialists through the sessions and **leisure activities** in the magnificent Swiss Alps.

This unique event is designed to improve your skills in diagnosing and treating autoinflammatory diseases patients, and to give you the opportunity to present your research projects, in particular those developed on the JIRcohorte platform. The number of participants is limited and registrations will be accepted on the basis of "first arrived first served".

We hope to welcome you in Villars next January

Best regards
