

JIRcohorte Winterschool

SoJIA / Still
Improve your research and clinical practice

10 – 12 March 2017, Leysin, Switzerland

Hotel Alpine Classic, Leysin

Program

Dear Colleagues,

The JIRcohorte team is welcoming you at the first **Winter School on Systemic Juvenile Idiopathic arthritis (SoJIA) and Adult-onset Still's Disease (AOSD)**.

Update your knowledge, present your research, develop your network and meet European specialists during the 1st JIRcohorte Winter School in Leysin Switzerland.

We offer

State of the art lectures

Interactive workshops in small groups

Abstract presentations (oral and poster)

“Develop my research” and “meet my senior” sessions

You will also be able to meet some European specialists through the sessions and **multiple leisure activities** in the magnificent Swiss Alps.

This unique event is designed for the members of the JIRcohorte to give them the opportunity to present their research project developed on the JIRcohorte platform. The Winter School is open to all physicians interested in this topic. The number of participants is limited and registrations will be accepted on the basis of “first arrived first served”. We are offering 10 bursaries to our young colleagues.

We hope to welcome you in Leysin next March

Best regards
