

JIRcohorte Winterschool

Drugs, Dilemas and Decisions In Pediatric Rheumatology

28 February - 01 March 2020, Villars, Switzerland

Eurotel-Victoria, Villars

Preliminary program

Dear Colleagues,

The JIRcohorte team is welcoming you at the forth **Winter School**.

Update your knowledge, present your research, develop your network and meet European specialists during the 4th JIRcohorte Winter School in Villars Switzerland.

We offer

State of the art lectures

Interactive workshops in small groups

Case resolution in small groups

Abstract presentations (oral and poster)

You will also be able to meet some European specialists through the sessions and **leisure activities** in the magnificent Swiss Alps.

This unique event is designed to improve your skills in treatment management of your patients, and to give you the opportunity to present your research projects, in particular those developed on the JIRcohorte platform. The number of participants is limited and registrations will be accepted on the basis of "first arrived first served".

We hope to welcome you in Villars next Winter

Best regards
